When Will the Courses Open?

When will the golf courses open in 2025? We wait until the frost is out of the greens and the threat of multiple deep freezes has subsided, typically around March 15th. We have opened as early as February 15th (1977) and as late as April 12 (1983). In 2024 we opened on February 23. Please watch the website for updated opening information, villagelinksgolf.com.

Village Links' Commitment to Environmental Excellence

Village Links proudly holds the distinction of being the first municipal golf course to achieve Audubon Certified Sanctuary status for Golf. In 2025, we celebrate our 32nd year of environmental stewardship—a responsibility we embrace wholeheartedly. Our commitment to nature is evident throughout the property: from the abundance of birdhouses in out-of-play areas, to the buffer strips around our ponds, and our ongoing efforts to remove invasive species such as buckthorn and Canada thistle. This year, we will focus on our native “no mow” areas with regular mowing and targeted treatments to control Canada thistle populations. We will also continue clearing overgrown areas to reveal stunning vistas and highlight hidden gem trees and other desirable species. Much of this work will include the removal of buckthorn.

Continued Bunker Work

Last year, we added 2–3 inches of sand to every greenside bunker and most fairway bunkers on the front nine. This year, we plan to complete the remaining fairway bunkers. Please note that while the new sand may initially feel “fluffy,” it will settle over time with rainfall, foot traffic, and irrigation. The greenside bunkers from last year should now be more consistent, having weathered the winter months.

We look forward to welcoming you back to a beautifully maintained and environmentally mindful course this spring!

- Hit Range Balls Year Round -

NEW
MATS
IN 2024

Driving Range Offers Great Turf or Mats

The driving range is open year round, even in the snow! Our grass tee has 30 spaces, with hitting stations with artificial turf mats for when the weather is wet and sloppy. It's the best of both worlds—firm level mats in wet or wintry weather, and nice natural grass during the rest of the golf season. Purchase a Village Links 15 Bucket Smart Card for \$165 and save big on driving range balls. The 15 large buckets are credited to your Links ID Card and never expire.

- Junior Golf Camps -

2025 Half-Day & All-Day Junior Golf Camps

Juniors can choose from 32 All-Day Junior Golf Camps in 2025. The morning instruction segment of each camp includes a visit to multiple learning stations to cover every aspect of the game. After a supervised lunch, the juniors play the 9-hole course. Instruction is tailored to the progress of each individual, allowing juniors to sign up for multiple camps. The \$89 camp fee includes instruction, lunch, and a supervised 9-holes of golf. New for 2025 will be a choice of hot dog, brat, cheeseburger, grilled cheese or chicken tenders.

44 Half-Day Junior Golf Camps are geared towards boys and girls with little or no golf experience. The \$59 fee includes concentrated instruction, fun activities that complement and nurture fundamental skills, and a certificate for free nine holes of golf (restrictions apply). Morning and afternoon sessions are available.

Registration online for 2025 camps available now at villagelinksgolf.com.

Village Links Junior Golf League

The Village Links will again host the very popular 13 & under **Village Links Junior Golf League**. Juniors of all abilities will compete each week in a little league baseball type format. Space is limited. Details at villagelinksgolf.com.

New Illinois Rental Tax

Beginning January 1st, 2025, Illinois law now requires all businesses to collect state and local taxes on all rentals. In the past, rentals were non-taxable. Whether you're renting a golf cart, push cart, golf clubs or a locker, you may notice slight increases in fees as courses adjust to the new tax regulations.
